ari sihvola born 1951 began his career at the finnish ministry for foreign affairs as a young civil servant in the 1970s over the years ari has played a key role in the development of public governance and the development of the skills of civil servants especially in eu affairs and leadership in addition to finland and the european commission ari s expertise has been brought to bear in many demanding international projects in four continents known for his anecdotes and colourful true stories ari looks at governance with an analytically critical yet gentle understanding approach as a teenager ari did not think of working as an adult for the foreign ministry or becoming a manager of international development projects the desire to grow guided his choices ari believes that we have a desire to constantly improve ourselves and our skills an impressive tale nicely written sihvola s personality shines through willian peskett

all the best players began with futsal pelé if it wasn t for futsal i wouldn t be the player i am today cristiano ronaldo the untold story of soccer s little brother futsal the grassroots game that is the secret behind the success of pelé neymar messi ronaldo and the us star christian pulisic futsal a form of indoor soccer is one of the fastest growing sports in the world jamie fahey uncovers its global stories tactical innovations and fascinating history and reveals its the secret behind the success of the likes of brazilians ronaldhino ronaldo fenômeno and romario and the kind of soccer revolutionized by pep guardiola at barcelona with spain s xavi hernández and andrés iniesta and at manchester city with belgium s kevin de bruyne and brazilian goalkeeper ederson as brazilian superstar neymar said it has developed my technique quick thinking and short moves futsal is fundamental to a footballer s life it had a big importance in mine when you re out there

playing you're forced to think fast and move even faster if you lose a second then the ball will be gone. Born in Uruguay almost a century ago but raised to an art form in Brazil, futsal is one of the fastest growing sports on the planet. Over 60 million people play this lightning fast and tactically intricate variation of indoor soccer, which is also a bona fide professional sport in its own right. Despite its growing status, however, futsal's history remains largely unknown and untold. Jamie Fahey is a leading futsal expert and qualified youth coach. He spent his childhood playing endless soccer matches in the shattered urban landscape of 1980s Liverpool on the same streets later graced by Wayne Rooney, the last true street footballer. Yet when Fahey's own soccer career stalled, he realised he had been unwittingly learning the skills that pointed to his true passion in futsal, the indoor game revolutionizing world soccer. Fahey makes the case for futsal's transformative grassroots effect both in the UK and abroad. He also tells the story of futsal's politics, tactics and personalities, and in doing so illuminates a hidden corner of sporting history.

British Design 2005 is the second edition of his publishers' showcase of creative studios and consultancies in Britain. A veritable who's who of UK design, the works of many newly successful and upcoming firms are presented here for the first time, together with the work of established firms that somehow always manage to stay at the cutting edge. This book reflects the changes that have taken effect in the design industry over the last two years and emphasizes the imperative that designers and clients must differentiate through creativity. British Design 2005 provides an instant impression of each participating studio's creative output and offers instant inspiration for those who must provide creative input.
